PH-4

I. **Recommendation:** Adopt Ordinance

II. **Applicant:** Watermark Apartments, L.P.

III. **Description:**

This agenda item is an ordinance approving the relocation, vacation, and release of a 2007 drainage easement located on property owned by Watermark Apartments, L.P. ("Watermark").

IV. **Analysis:**

A drainage easement was conveyed by Collins Recap V, LLC ("Collins") to the City of Norfolk ("City") on December 12, 2007 (the "2007 Easement") for drainage along, over, under and through property located at Newport Avenue and Harvard Street (collectively "the Property"). In 2014, Collins dedicated a new drainage easement (the "2014 Easement") to the City, which was meant to replace the 2007 Easement. The Property has since been sold to Watermark. As it was the intent that the 2014 Easement exist instead of, and in place of, the 2007 Easement, Watermark has requested the City vacate the 2007 Easement as it is no longer needed for municipal purposes.

V. **Financial Impact:**

There are no costs associated with the relocation, vacation, and release of this easement.

VI. **Environmental:**

There are no known environmental issues associated with relocation, vacation, and release of this easement.
